Elevate Literacy Education with Proven, Research-Based Solutions

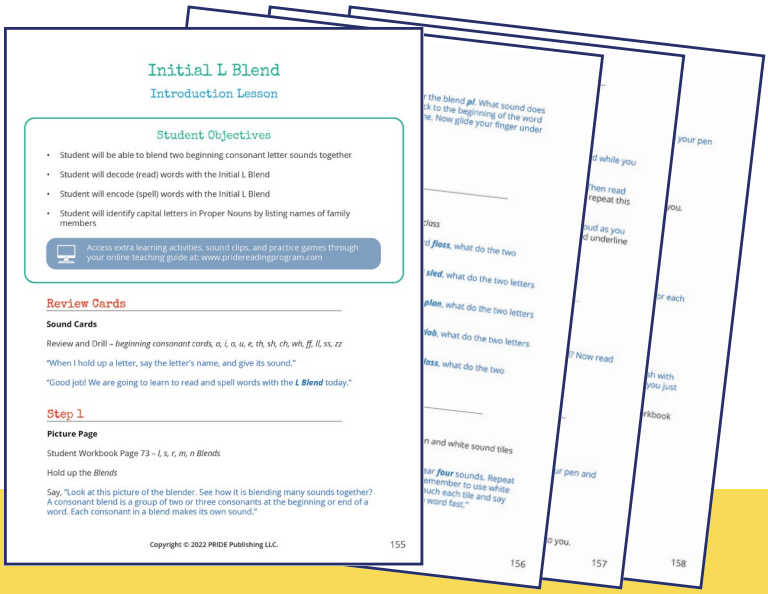

Science-Backed Curriculum

Pride Reading Program

Developed specifically to teach struggling and non-readers how to read, write, spell, and comprehend. While this curriculum works with all children, it is especially successful for children with dyslexia, auditory and visual processing disorders, speech deficits, and other learning differences.

- Easy-to-follow, scripted lesson-plans
- Powered by Orton-Gillingham
- Aligned with the Science of Reading
- Curriculum solutions for schools, teachers, tutors, and homeschoolers
