Comprehensive Reading Assessment

Student's Name_____
Age:_____
DOB: _____
School: _____
School District: _____
Grade: _____
Examiner:_____
Date of Assessment: _____

Assessment 1: Decoding and Encoding Phonemes

Make a copy of the sound chart at the end of the assessment packet for the student. Ask the student to state the name of the letter and the sound that the letter makes. Circle the errors on the chart below and write in the space next to the circle what the student said. As soon as the student reaches 3 errors, stop the assessment. If you have an older student, stop at 5 errors.

m	r	v	l	t	g	j	c	n	y
z	d	k	w	b	p	s	f	x	h
a	i	o	u	e	th	sh	ch	wh	

Using the sound chart in the next page, dictate the sound made by each letter and have the student write the letter(s) on a separate sheet of paper. Circle any student errors on the sound chart and then write in the space next to the circle what the student wrote. As soon as the student reaches 3 errors, stop the assessment. If you have an older student, stop at 5 errors.
